I, Tony Murphy, County Administrator, Beltrami County, State of Minnesota, do hereby certify that I have compared the foregoing copy of a resolution with the original minutes of the proceedings of the Board of County Commissioners, Beltrami County, Minnesota, at their regular session held on February 21, 2006 now on file in my office and have found the same to be a true and correct copy thereof.

Tony Murphy, County Administrator

Indian Child Welfare Costs	260.751-260.835	Minnesota Indian tribes are considered sovereign nations and tribal courts exercise jurisdiction over their tribal members. The Minnesota Indian Family Preservation Act states the Minnesota counties are responsible for all costs associated with placements and services for Indian children within their county as determined by tribal courts. State funding should be used to pay for services required under the Indian Child Welfare Act – not local property taxes.
