

Dakota County Mandate Recommendation

Booking Fee			
Mandate	Statute	Rule	Comment
Eliminate the mandate that the County can only charge a \$10 booking fee. Allow counties to set their own rate and include all bookings	641.12, subd.1		The \$10 rate was set many years ago. It needs to be changed. Counties should be able to set the rate, and all bookings (including book and release) should be charged a fee. The cost to counties is the same whether the person is held or released.
