

Dakota County Mandate Recommendation

Election Law Violation costs			
Mandate	Statute	Rule	Comment
Require the local government involved in Office of Administrative Hearings to pay the costs for consideration of election law violations	211B.37		Counties are required to pay for the costs incurred for hearing related to school district, municipal and county election complaints. The County should be required to pay for only those complaints related to county offices; School districts and municipalities should be required to pay for complaints relating to them.
