NOW THEREFORE BE IT HEREBY RESOLVED, the Isanti County Board of Commissioners adopts the following as mandates that should be strongly considered for elimination or changes to be made and directs the County Coordinator to submit this listing to the State Auditor:

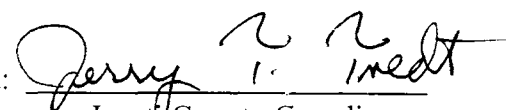

Mandate Relief Requested	Statutory Citation	Comments
---------------------------------	---------------------------	-----------------

Eliminate incarceration of short-term felony offenders in county jails	609.105	This legal practice again shifts the State's responsibility to the counties without proper funding to cover costs which results in additional costs to county taxpayers
