

Resolution 20 - 02/08/06

WHEREAS, Minnesota Statute 6.79 allows local units of government to submit to the State Auditor proposed changes to state mandates, and

WHEREAS, the State Auditor has encouraged local units of government to take this opportunity to suggest improvements, and

WHEREAS, the Kanabec County Board of Commissioners supports actions which could lower costs, improve services to the public and make expenditures more accountable, and

WHEREAS, certain County contracts require the use of prevailing wage rates, and

WHEREAS, these prevailing wage rates often do not reflect the true wage rate for the area;

NOW, THEREFORE, BE IT RESOLVED that the Kanabec County Board of Commissioners recommend that the method of determining prevailing wage rates for an area be corrected to better reflect the actual wages being paid within the given area.
