

Liability	M.S. 466	The State's joint and several liability statutes should be amended to reduce the chances that local units of government are brought into litigation solely because they are government entities with access to revenues. The City does not oppose the intent of the mandate, but rather objects if it is unfunded or underfunded.
-----------	----------	---

Product liability		Provide protection for public water suppliers from product liability law suits in an incident where they have met all regulations. The City does not oppose the intent of the mandate, but rather objects if it is unfunded or underfunded.
