

Minor residential improvements	M.S. 16B.63	State law limits permit fees to \$15 or five percent, whichever is greater, for improvement, installation or replacement of a residential fixture or appliance that does not modify electric or gas service, has a labor cost of \$500 or less, and is done by the homeowner or a licensed contractor. The City does not oppose the intent of the mandate, but rather objects if it is unfunded or underfunded.
