

Eliminate or Equalize Maintenance of Effort Requirement For State Chemical Dependency Grant (CCDTF)	M.S. §254B.02		Under the state's Consolidated Chemical Dependency Treatment Fund, some counties pay over 60% of chemical dependency treatment costs while others pay as little as 15% under current maintenance of effort (MOE) requirements. The state legislature should appropriate funds to make the minimum 15% MOE applicable to all counties.
