

<p>MA clients who are incarcerated have all MA benefits terminated</p>	<p>M.S. §§256B., 256B.055 subd. 14 MDHS Policy 0906.01</p>		<p>Rather than terminating benefits for inmates, the State (as suggested by the Federal Government) should <u>suspend</u> benefits, pending release. This would save considerable time by counties who are required to re-enroll clients.</p>
