The Office of the State Auditor has completed our report of Federally Assisted Programs of Subrecipients of the State of Minnesota for the year ended June 30, 2002.

General

The State of Minnesota, as a recipient of federal funds, is responsible for assuring that its subrecipients of federal funds have audits in accordance with the Single Audit Act Amendments of 1996 and the Office of Management and Budget (OMB) Circular A-133.

This report on "Federally Assisted Programs of Subrecipients of the State of Minnesota" for the fiscal year ended June 30, 2002, is prepared to demonstrate the State of Minnesota's compliance with the requirement for audit of federal funds granted to its subrecipients.

General (Continued)

This report represents a compilation of financial and compliance information pertaining to federal grants. The data has been obtained from audited financial statements of subrecipients submitted to this office. Subrecipients covered in this report include cities, counties, housing and redevelopment authorities, nonprofit agencies, regional development commissions, school districts and related agencies, tribal governments, and other local units of government in Minnesota.

Memorandum of Understanding

In April 1983, a Memorandum of Understanding (Memorandum) was signed that documented the arrangement for conducting a single audit of federal funds awarded directly to the State of Minnesota and expended either by the State or an authorized subrecipient. This Memorandum remains in effect for the current-year single audit report of the State of Minnesota.

The Memorandum outlines the broad issues agreed to, as well as the specific responsibilities of each party. The parties participating in the Memorandum and their duties are:

- S The Minnesota Department of Finance serves as the lead state agency, representing all Minnesota state agencies receiving federal funds, and coordinates single audit requirements.
- S The Minnesota Office of the Legislative Auditor performs the statewide single audit and prepares the audit report at the state level.
- S The U.S. Department of Agriculture - Office of the Inspector General serves as the lead cognizant audit agency, representing all federal agencies awarding funds to the State of Minnesota, and serves as liaison with the other parties participating in the Memorandum and federal agencies.
- S The Minnesota Office of the State Auditor monitors subrecipient audits by reviewing audit reports for timeliness and compliance with federal reporting standards. Subrecipient audit reports are considered acceptable when they include the reporting elements required by *Government Auditing Standards*, issued by the Comptroller General of the United States; by the American Institute of Certified Public Accountants; by the Single Audit Act Amendments of 1996; and by Office of Management and Budget (OMB) Circular A-133. The Office prepares this summary report, which includes expenditures of federal awards by subrecipients, along with their auditor's questioned costs and noncompliance findings. This summary report is provided to the other parties of the Memorandum.

Review of Subrecipient Audit Reports

For the fiscal year ended June 30, 2002, it was determined that 490 entities received sufficient federal funds from the State of Minnesota to require them to submit audited financial statements. Not all of the subrecipients submitted audited financial statements in time to be included in this report.

Significant Items

To be included in this report, financial statements must have been received by January 31, 2003. The Single Audit Act requires governments to file their single audit reports within nine months of year end; therefore, governmental entities with fiscal years ending May 1, 2002, or earlier, should have filed their financial statements in time for this report. In addition, the State requires school districts to file their financial statements by December 31. Twenty-five entities failed to report in compliance with these requirements. An additional fourteen reports were not received in time for this publication reflecting the fact that entities (other than schools) with fiscal years ending between May 1 and June 30, 2002, may have reporting deadlines extending beyond the publication date of this report.

Contents of This Report

This report contains six exhibits. The exhibits contain information included in audited financial statements of subrecipients having fiscal year-ends between July 1, 2001, and June 30, 2002. The resolution of questioned costs, noncompliance, and crosscutting findings is the responsibility of the administering agency. The exhibits are:

Exhibit 1 Questioned Costs

A summary of questioned costs by administrative agency. Summarized for each questioned cost is the subrecipient entity, Catalog of Federal Domestic Assistance (CFDA) number, reason for and the amount of the questioned costs.

Exhibit 3 Expenditures of Federal Awards by Entity

Exhibit 4 Expenditures of Federal Awards by Administering Agency

A summary of expenditures of federal awards by the administrative agency and a breakdown of those agencies by the subrecipient entities and CFDA numbers. Also indicated are federal or nonfederal crosscutting findings or grant noncompliance (refer to Exhibits 5 and 6 for detailed crosscutting findings). The exhibit also identifies if the entity's audit report is acceptable.

Exhibit 5 Summary of Nonfederal Crosscutting Findings by Agency Type

A summary of nonfederal crosscutting findings by entity. A nonfederal crosscutting finding is non-monetary and does not pertain to any federal programs.

Exhibit 6 Summary of Federal Crosscutting Findings by Agency Type

A summary of federal crosscutting findings by entity. A federal crosscutting finding is non-monetary and does not pertain to a specific federal program.

For any detail regarding information in these exhibits, the audit report should be reviewed or the subrecipient should be contacted.
