

EXHIBIT 6

SUMMARY OF FEDERAL CROSSCUTTING FINDINGS

The following exhibit is a summary of federal crosscutting findings by subrecipient entity. A federal crosscutting finding is a non-monetary finding not specifically identified by CFDA number that may affect more than one federal program. The finding is reported in the independent auditor's report on compliance with requirements applicable to each major program and internal control over compliance in accordance with OMB Circular A-133. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Expenditures
- General administration, adequacy/propriety of procedures
- Segregation of duties
- Financial reporting

The resolution of crosscutting findings is the responsibility of the administering agency.
