

Appendix 2

1999 and 2000 Revenues and Expenditures Budgeted for Cities Over 2,500 in Population

Explanation of Appendix 2

Budget data used in this report are unaudited revenues and expenditures reported to the Office of the State Auditor by Minnesota cities. The form (see Appendix 3 on page 109) used to collect this information requested that cities provide three types of data: *1999 budget, 1999 amended, and 2000 budget.*

The *1999 budgets* are the 1999 budgets adopted by city councils in November and December of 1998. Some cities submitted 1999 budgets that were revised from what they submitted to the OSA last year. **Therefore, the 1999 budgets presented in this report should replace those found in last year's report.**

The *1999 amended* data represent an estimate of the cities final 1999 budget as amended by the city. The inclusion of this data is intended to give city officials an opportunity to show any major changes that may have occurred between the adoption of the 1999 budget in late 1998 and the close of the 1999 calendar year. The *1999 amended* data was not used in the analysis but is provided for further understanding of cities' financial situations.

The *2000 budgets* are the 2000 budgets adopted by city councils in November and December of 1999.

The analysis of the data presented in this report focuses solely on the 1999 and 2000 budgets.³

³ The cities of Belle Plaine, Lake City, Mankato, New Brighton, and Virginia failed to submit data on their 1999 and 2000 budgets for this report. This is the third year the cities of Belle Plaine and Lake City failed to submit data on their budgets.
