## **Description of the Office of the State Auditor**

The Office of the State Auditor serves as a watchdog for Minnesota taxpayers by helping to ensure financial integrity, accountability, and cost-effectiveness in local governments throughout the state.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 250 financial and compliance audits per year and has oversight responsibilities for over 4,300 local units of government throughout the state. The office currently maintains five divisions:

**Audit Practice** - conducts financial and legal compliance audits for local governments;

**Government Information** - collects and analyzes financial information for cities, towns, counties, and special districts;

**Legal/Special Investigations** - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government.

**Pension Oversight** - monitors investment, financial, and actuarial reporting for over 700 public pension funds;

**Tax Increment Financing (TIF)** - promotes compliance and accountability in local governments' use of TIF through financial and compliance audits;

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employee's Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

# 2003 Criminal Forfeitures

## Overview

Minnesota criminal statutes §§ 609.5315, subd. 6, directs law enforcement agencies to report all property seized subject to forfeiture to the State Auditor, with the exception of DWI related forfeitures.<sup>1</sup> This report provides information on the amount of money, weapons, and property seized subject to forfeiture in 2003<sup>2</sup>. Forfeitures are considered complete in the year in which a final decision is rendered on the seized property regardless of the date the property is initially seized. At that time, items are sold, retained for law enforcement purposes, destroyed, forwarded to other law enforcement agencies, or returned to the owner.

In previous years, reporting only encompassed those incidents involving formal court procedures where the property was forfeited by court order (judicial action). The statute clearly states that all property that is seized subject to forfeiture must be reported. This includes property that is seized with the intention of forfeiting it, regardless of the final disposition. For example, an agency could seize a vehicle due to a fleeing offense and prepare to forfeit the vehicle. If it is discovered that the person who fled in the vehicle was not the owner, the vehicle may be returned to the owner but would still be reported as a forfeiture incident as the original intention was to forfeit the vehicle.

In November of 2003, the State Auditor sent new forms to all law enforcement agencies reminding them of their reporting requirements and provided new forms that clarified the type of incidents they should report.

## Property Seized Subject to Forfeiture

In 2003, 140 Minnesota law enforcement agencies reported a total of 2,635 incidents of property seized subject to forfeiture to the State Auditor<sup>3</sup>. There were 1194 more forfeiture incidents reported in 2003 than in 2002, an 83.0 percent increase. The amount of cash forfeited and the gross sales of forfeited property totaled \$2,806,891, administrative expenses and lien holder's obligations totaled \$247,318 and net proceeds totaled \$2,559,573.

Net proceeds involving cash or forfeited property that was sold ranged from negative \$15,700 to \$90,000. Net proceeds per forfeiture averaged \$971 in 2003, down from \$1,112 in 2002. An analysis of the net proceeds of the 2,409 criminal forfeiture incidents in which the agency received cash or sold the forfeited property showed the following:

---

<sup>1</sup> Criminal and firearm forfeitures area authorized by Minnesota Statutes §§ 609.531-609.5317. DWI offenses are done pursuant to Minnesota Statute § 169A.63 and are not reported to this office.

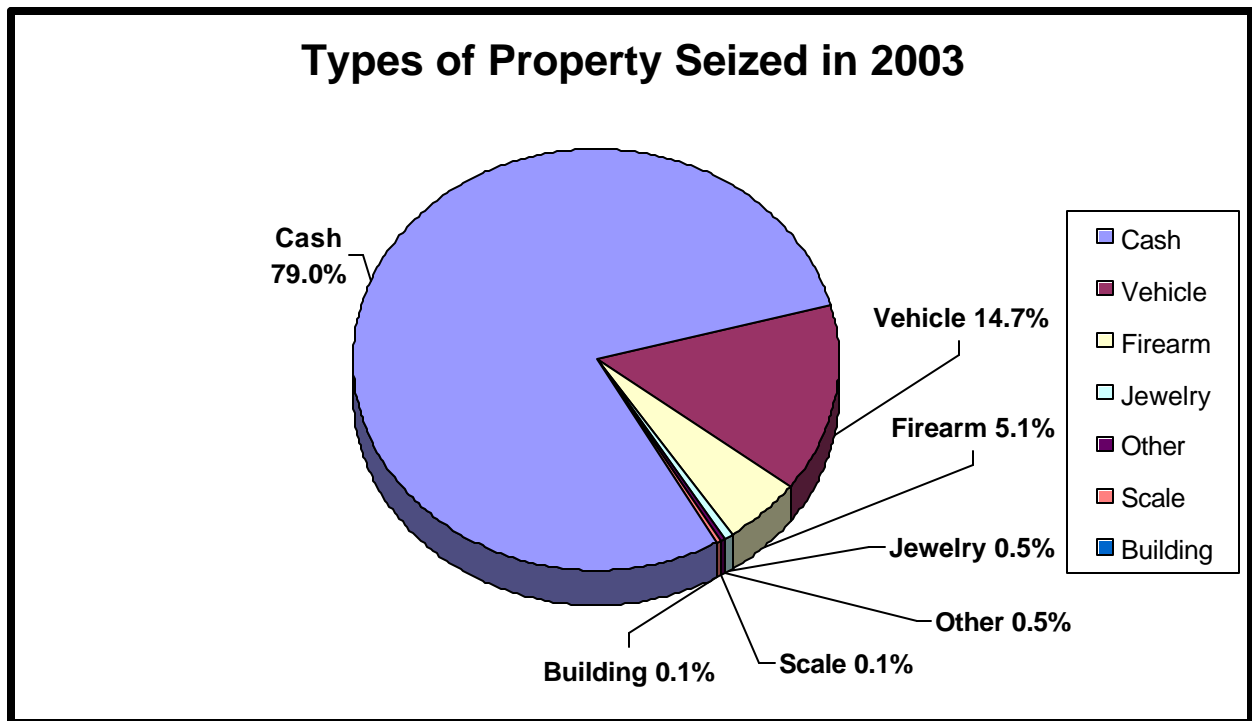

<sup>2</sup> In previous years, firearms were analyzed separately from other forfeiture incidents because the MN Department of Planning collected other qualitative information about firearms that was not part of statutory reporting. Beginning in 2003, firearms are analyzed with all other property and collected on the same form.

<sup>3</sup> Some of the forfeiture incidents filed by the Carlton County Sheriff's Department, the Maple Grove Police Department and the Southeast Narcotics Task Force submitted forfeiture incidents that were either incorrect or incomplete. They did not respond to the State Auditor's request to clarify their information and are therefore not included in the final count.

- 498 (21.0 percent) forfeitures were less than \$100.
- 1025 (43.0 percent) forfeitures ranged from \$100 to \$499.
- 391 (17.0 percent) forfeitures ranged from \$500 to \$999.
- 426 (18.0 percent) forfeitures ranged from \$1,000 to \$4,999.
- 69 (3.0 percent) forfeitures were greater than \$5,000.

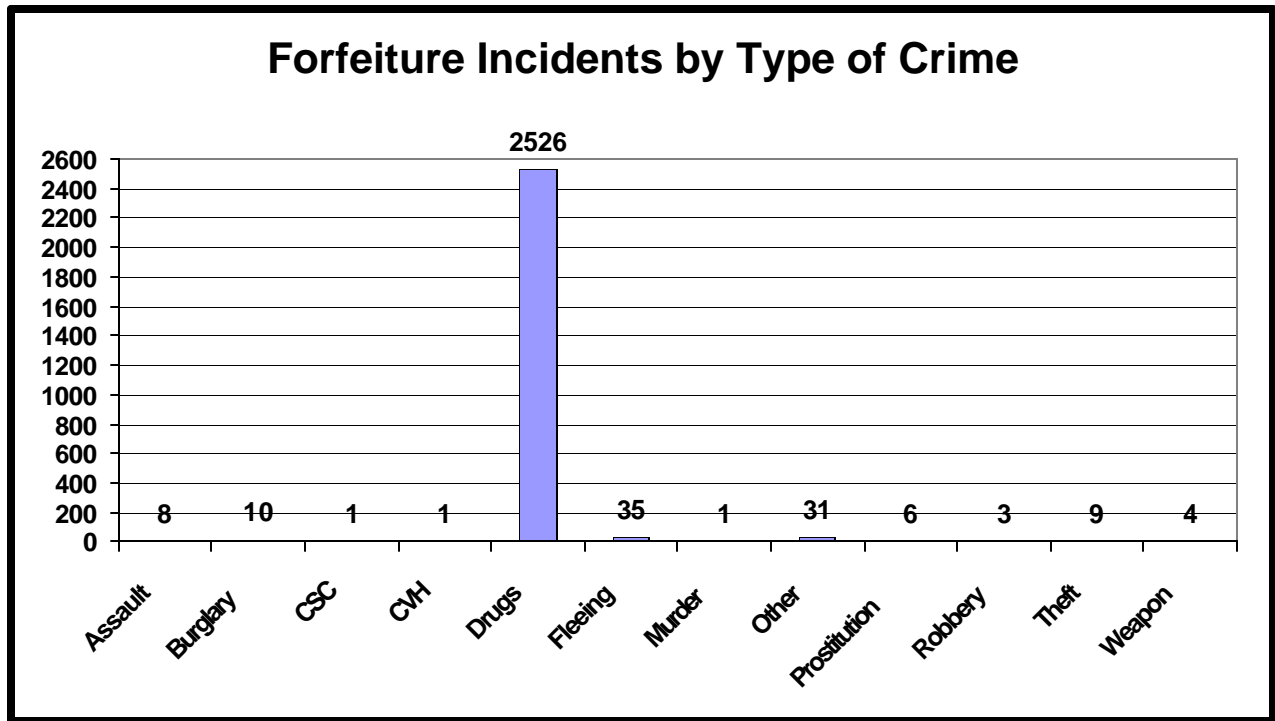

## Type of Property

The following chart shows the type of property seized subject to forfeiture in 2003. Cash accounts for 79.1 percent of property seized, followed by vehicles (14.7 percent), Firearms (5.1 percent), Jewelry (0.5 percent), Other property (0.5 percent), Buildings (0.1 percent), and Scales (0.1).

## Type of Crime

Criminal activity involving a controlled substance accounted for an overwhelming 2,526 (96.0 percent) of the 2,635 forfeiture incidents reported in 2003. The remaining incidents involve fleeing murder, theft, weapons, prostitution, assault, robbery, criminal sexual conduct, criminal vehicular homicide, and other crimes.

### State Proceeds From Criminal Forfeitures

Pursuant to Minnesota Statutes, §609.5315, subd. 5, cash or proceeds from the sale of forfeited property, after administrative expenses and payment of liens, are distributed in the following manner: 70 percent to the appropriate law enforcement agency; 20 percent to the county attorney or other prosecuting agency that handled the forfeiture; and 10 percent to the Department of Finance. In 2003, 2,477 incidents resulted in forfeitures, 83 resulted in an agreement, 58 incidents resulted in court ordered return to the owner, and 17 resulted in other disposition. Of the 2,477 incidents that resulted in a forfeiture of property, the net amount for distribution was \$2,399,732.

Agreements that are completed by the agency and the property owner may involve the agency keeping 100 percent of the proceeds, or the relevant county or city attorney receiving 20 percent of the proceeds. No funds are forwarded to the state. Some agencies, especially when they do not own their own impound lots, often take a loss in holding the property before the forfeiture incident is completed and have no proceeds to distribute.

### Criminal Forfeiture Activity By Law Enforcement Agency

The 140 law enforcement agencies reporting criminal forfeiture incidents in 2003 included county sheriff's departments, city police departments, various drug task forces, the Minnesota Gang Strike Force, the Minnesota State Patrol, and the Bureau of Criminal Apprehension. Fifty-two

more agencies reported forfeiture incidents than in 2002<sup>4</sup>.

The agencies with the most forfeiture incidents in 2003 were; St. Paul Police Department (747), Minneapolis Police Department (280), South East Minnesota Drug Task Force (201), Dakota County Drug Task Force (148) and Anoka-Hennepin Narcotics and Violent Crimes Task Force (139). Forfeiture incidents are an infrequent occurrence for most law enforcement agencies, with many smaller agencies forwarding forfeiture incidents to drug task forces.

### **Forfeited Property Destroyed, Retained, or Forwarded to Another Agency**

In addition to selling forfeited property, law enforcement agencies have the authority, to destroy property that is harmful to the public, to retain property for official use by the agency, or forward property to a federal agency (usually the Drug Enforcement Administration). The value of property used for law enforcement is not included in the net proceeds of criminal forfeitures or the funds transmitted to the Department of Finance until the property is sold.

In 2003, 83 forfeiture incidents resulted in property being retained or destroyed. Property forwarded was contained in the Other category, which also includes any other disposition of the property not previously classified.

### **Property or Proceeds Shared With Another Agency**

Law enforcement agencies frequently work together, especially on drug-related offenses. Law enforcement agencies working on a case often share the cash proceeds from drug-related criminal forfeitures. The cash proceeds are divided among the cooperating agencies after the proceeds are distributed in accordance with Minnesota Statute §609.5315, subd. 5.

---

<sup>4</sup> This number does not indicate an increase in the number of agencies completing forfeitures, but rather a concerted effort on the State Auditor's Office behalf, to inform agencies of their statutory responsibility in reporting forfeiture incidents. It is conceivable that more agencies are completing forfeiture incidents and not reporting them to the State Auditor's Office.
