## Glossary

**ASSIGNED FUND BALANCES** - Fund balances that are constrained by the government's intent that they be used for specific purposes, but are neither restricted nor committed.

**BORROWING** - These revenues reflect the sale of bonds and notes, certificates of indebtedness, and tax anticipation certificates. Cities are restricted by law from borrowing for current expenses.

**CAPITAL OUTLAY** - These expenditures include the purchase, construction, or permanent improvements of buildings, equipment, machinery, and land. Capital outlay varies from year to year based on the needs and resources of the cities.

**CAPITAL OUTLAY FOR ENTERPRISE FUNDS** - These funds include expenditures from governmental funds for improvements to public service enterprises, such as sewer and water mains.

**CAPITAL PROJECTS FUND** - A fund created to account for the financial resources that are used for the acquisition or construction of a fixed asset.

**CASH BASIS OF ACCOUNTING** - The basis of accounting that recognizes transactions or events when related cash amounts are received or disbursed.

**CHARGES FOR SERVICES** - These revenues reflect fees for activities of the governmental funds. These include rent of city hall by individuals or organizations, police and fire contracts, fire calls, recreation fees, park dedication fees, etc.

**COMMITTED FUND BALANCE** - The fund balance amount that can be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority.

**DEBT SERVICE EXPENDITURES** - These expenditures reflect the annual costs of servicing the outstanding debt of the local government. These costs include principal, interest, and some fiscal charges.

**DEBT SERVICE FUND** - A fund to account for the collection of resources and payment of principal and interest from long-term debt.

**ENTERPRISE FUND** - A fund established to account for operations financed and operated in a manner similar to private business. Examples include water, sewer, and electric utilities. The expenses of providing services are primarily financed by user charges.

**FINES AND FORFEITS** - These revenues reflect receipts from the payment of penalties for law violations, non-observance of contracts, and forfeited deposits.

**FRANCHISE TAXES** - These revenues reflect proceeds from taxes imposed on public utilities, usually involving elements of a monopoly (e.g., electric utilities, gas utilities, and cable T.V.), for use of public property.

**GENERAL FUND** - The fund used to account for all financial resources not required to be accounted for in another fund. This fund is the main operating fund.

## Glossary

**GENERAL GOVERNMENT EXPENDITURES** - These expenditures reflect the costs associated with running a local government. Expenditures in this category include salaries, ages, and benefits of legislative, judicial, and administrative personnel; supplies; and city hall maintenance.

**GOVERNMENTAL FUNDS** - These are the funds through which most governmental activities are financed. The five governmental fund types are: General, Special Revenue, Debt Service, Permanent, and Capital Projects.

**GRAVEL TAX** - These revenues are derived from taxes imposed by the local government for aggregate material removal.

**HEALTH** - These expenditures are for the maintenance of vital statistics, restaurant inspection, communicable disease control, and various health services and clinics.

**HOUSING AND REDEVELOPMENT AUTHORITIES (HRA) AND ECONOMIC DEVELOPMENT AUTHORITIES (EDA)** - These expenditures are for development and redevelopment activities in blighted or otherwise economically disadvantaged areas. Activities may include low-interest loans to individuals and businesses, cleanup of hazardous sites, rehabilitation of substandard housing and other physical facilities, and additional types of assistance to those wanting to provide housing and economic opportunity within a disadvantaged area.

**INTEREST ON INVESTMENTS** - These revenues reflect interest earned on checking and savings accounts, CDs, money market funds, and bonds. This category also includes dividends. In addition, the net increase or decrease in the fair value of investments is recorded here.

**LICENSES AND PERMITS** - These revenues reflect receipts from liquor licenses, cigarette licenses, other business licenses, street use permits, building permits, and other non-business licenses and permits.

**MISCELLANEOUS EXPENDITURES** - These expenditures reflect the costs of activities that were not allocated to a specific function. Some activities included in this category are pension and insurance costs not allocated to a specific department.

**MISCELLANEOUS REVENUES** - These revenues refer to refunds, reimbursements, donations, and lease payments.

**MODIFIED ACCRUAL BASIS OF ACCOUNTING** - This is a basis of accounting where: (a) revenues are recognized in the accounting period in which they become available and measurable; and (b) expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt and certain similar accrued obligations, which should be recognized when due.

**NET TAX LEVY** - The city net property taxes, after adjustments for state property tax relief aids such as Market Value Credits are applied, which are required to be paid by the property owners of the city.

## Glossary

**NONSPENDABLE FUND BALANCE** - Amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

**OTHER FINANCING SOURCES** - The long-term debt proceeds, sale of fixed assets, and transfers from other funds.

**OTHER FINANCING USES** - This category includes activities such as transfers from one fund to another and transactions involved in the issuance of refunding bonds. For example, in an advance refunding, bond proceeds are deposited with an escrow agent and invested until they are used to pay principal and interest on the old debt at a future time.

**OUTSTANDING LONG-TERM DEBT** - This category refers to the long-term debt that a local government has incurred to finance its capital projects. Examples of long-term debt include various types of bonds and other obligations such as notes and long-term leases.

**PARKS AND RECREATION** - These expenditures reflect park maintenance, mowing, planting, and removal of trees. Recreation expenditures include festivals, bands, museums, community centers, cable T.V., baseball fields, organized recreation activities, etc.

**PUBLIC SAFETY EXPENDITURES** - These expenditures reflect the costs related to the protection of persons and property. This category combines several distinct city departments, including police, fire, ambulance services, and other protection. They are combined here because cities allocate similar responsibilities differently among these departments.

**RESTRICTED FUND BALANCES** - Fund balances that have constraints placed on the use of resources either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation.

**SANITATION** - These expenditures reflect the costs of refuse collection and disposal, recycling, as well as weed and pest control. Some cities provide sanitation services through enterprise funds.

**SPECIAL ASSESSMENTS** - These revenues refer to levies made against certain properties to defray all or part of the costs of a specific improvement, such as new sewer and water mains, deemed to benefit primarily those properties. The amount includes the penalties and interest paid on the assessments.

**SPECIAL REVENUE FUNDS** - Special revenue funds are used to account for the proceeds of specific revenue sources that are restricted to expenditures for a specific purpose.

**STREETS AND HIGHWAYS EXPENDITURES** - These expenditures reflect the costs associated with the maintenance and repair of local highways, streets, bridges, and street equipment. Common expenditures include patching, seal coating, and snow removal. Expenditures for road construction are not included in current expenditures but are accounted for as capital outlay.

**TAX CAPACITY** - Tax capacity is the value assigned to the property used to calculate the property taxes.

## Glossary

**TAX INCREMENTS** - These revenues are what cities generate when they establish tax increment financing (TIF) districts. In a TIF district, the increase in property tax revenues in the redeveloped area is used to pay the costs of development and redevelopment in the district rather than the general services of the city, county, and school district.

**TAXABLE TAX CAPACITY** - This category represents the tax capacity, less the tax increment district value, less the fiscal disparities contribution value, plus the fiscal disparities distribution value.

**TOTAL CURRENT EXPENDITURES** - This category reflects the total of all expenses related to current operations.

**TOTAL EXPENDITURES** - This category includes current operating expenses, capital outlays, and debt service principal and interest payments.

**TOTAL REVENUES** - This category reflects all sources of revenues that increase the amount of available resources without creating a liability or a future payment. Borrowing and transfers between funds are not included in total revenues.

**TRANSFERS - ENTERPRISE FUNDS** - This category accounts for the transfer of available resources to or from public service enterprises. An example of this transfer is a water utility transferring money to the General Fund.

**TRANSFERS - GOVERNMENTAL FUNDS** - This category accounts for the transfer of money between governmental fund types.

**UNALLOCATED INSURANCE** - These expenditures refer to insurance premiums that are not allocated to a specific function of government.

**UNALLOCATED PENSION CONTRIBUTIONS** - These expenditures refer to contributions to pension plans that are not allocated to a specific function of government.

**UNASSIGNED FUND BALANCE** - Unassigned fund balance is the residual classification for the General Fund. This is fund balance that has not been reported in any other classification. The General Fund is the only fund that can report a positive unassigned fund balance. Other governmental funds would report deficit fund balances as unassigned.
