

STATE OF MINNESOTA

Office of the State Auditor

Rebecca Otto
State Auditor

SOUTHEAST MINNESOTA RECYCLERS' EXCHANGE
ROCHESTER, MINNESOTA

FOR THE YEAR ENDED DECEMBER 31, 2006

Description of the Office of the State Auditor

The mission of the State Auditor's Office is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 160 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice - conducts financial and legal compliance audits of local governments;

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for approximately 730 public pension funds; and

Tax Increment Financing - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Southeast Minnesota Recyclers' Exchange
Joint Powers Board

We have audited the accompanying financial statements of the Southeast Minnesota Recyclers' Exchange Joint Powers Board as of and for the year ended December 31, 2006. These financial statements are the responsibility of the Southeast Minnesota Recyclers' Exchange Joint Powers Board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Southeast Minnesota Recyclers' Exchange Joint Powers Board as of December 31, 2006, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of required supplementary information. However, we did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This page was left blank intentionally.

**SOUTHEAST MINNESOTA RECYCLERS' EXCHANGE
ROCHESTER, MINNESOTA**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
DECEMBER 31, 2006
(Unaudited)**

The Southeast Minnesota Recycler's Exchange (SEMREX) Management's Discussion and Analysis (MD&A) is designed to: (a) assist the reader in focusing on significant financial issues, (b) provide an overview of SEMREX's financial activity, (c) identify changes in SEMREX's financial position (its ability to address the next and subsequent year challenges), and (d) identify individual fund issues or concerns.

Since the MD&A is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with SEMREX's financial statements.

FINANCIAL HIGHLIGHTS

- SEMREX's net assets increased by \$3,552 (or 8 percent) during 2006. Net assets were \$43,851 and \$47,403 for 2005 and 2006, respectively.
- The operating revenue decreased by \$34,576 (or 6 percent) during 2006 and was \$583,769 and \$549,193 for 2005 and 2006, respectively.
- The total operating expenses decreased by \$33,137 (or 6 percent). Total operating expenses were \$582,586 and \$549,449 for 2005 and 2006, respectively.
- Net operating revenues/expenses decreased by \$1,439 (or 122 percent) during 2006 and were \$1,183 net revenues and \$256 net expenses for 2005 and 2006, respectively.

Membership

In 2006, SEMREX members consisted of eight full members and two "marketing only" members remaining the same as 2005.

Commodities Marketed

Total tonnage for material marketed was up 9 percent for 2006, while prices were generally down or neutral. The tonnage for old corrugated cardboard (which accounts for the majority of material marketed) was up 8.6 percent from 2005, while the price was down nearly 10 percent from last year. Old magazine tonnage was up 31 percent, and the price was down 11 percent. The quantity of old newspaper was down about 10.5 percent in 2006, but the price was up a

meager 3 percent. The largest price change was in the sorted office paper market where prices were an average of 62.5 percent higher; however, the tonnage for that material was down by about 13 percent. Aluminum saw an increase in tonnage of 17.6 percent and an average price increase of 36 percent. The average price for all plastics remained about the same, while total quantities were down 27 percent. Tin/steel tonnage was up 61 percent, while the average price remained about the same.

Marketing Fees

There were no changes made in the marketing fee structure from 2006 to 2007.

Basic Financial Statements

The basic financial statements are designed to provide readers with a broad overview of SEMREX's finances in a manner similar to a private-sector business. SEMREX's financial statements use the full accrual basis of accounting and the economic resources measurement focus.

These statements include a Statement of Net Assets, which is similar to a balance sheet. The Statement of Net Assets reports all financial resources for SEMREX. The statement is presented in the format where assets equal liabilities plus "net assets." Assets and liabilities are presented in order of liquidity. The focus of the Statement of Net Assets (the "Unrestricted Net Assets") is designed to represent the net available liquid (non-capital) assets, net of liabilities, for SEMREX.

The basic financial statements also include a Statement of Revenues, Expenses, and Changes in Net Assets. This statement includes revenues, such as sale of materials and interest on investments, and expenses, such as administrative and cooperative marketing. The focus of this statement is the "Change in Net Assets," which is similar to net income or loss.

Finally, a Statement of Cash Flows is included, which discloses net cash provided by, or used for operating activities, and investing activities.

BASIC FINANCIAL STATEMENTS

Major Factors Affecting the Statement of Net Assets

Current assets other than prepaid items decreased by \$3,091, and current liabilities decreased by \$8,335. Current assets (primarily cash and investments) will be used to extinguish the current liabilities.

Major Factors Affecting the Statement of Revenues, Expenses, and Changes in Net Assets

The revenue from sale of materials decreased in 2006. This is primarily due to the decrease in commodity prices partially offset by the nine percent average increase in tons of material marketed through SEMREX.

Cooperative marketing disbursements increased in 2006. The increase is proportionate to the sale of materials and is due to the fact that the more material a member markets and the higher the price, the more cooperative marketing fees are paid to SEMREX, and the more cooperative marketing disbursements are made to members. In 2006, the disbursements to other governments increased due to the fact that they marketed more materials than the individual members.

Condensed Financial Information

	2006	2005	Increase (Decrease)	
			Dollar	Percent (%)
<u>Statement of Net Assets</u>				
Current assets	\$ 101,794	\$ 106,577	\$ (4,783)	(4.5)
Current liabilities	54,391	62,726	(8,335)	(13.3)
Net Assets	<u>\$ 47,403</u>	<u>\$ 43,851</u>	<u>\$ 3,552</u>	8.1
<u>Statement of Changes</u>				
Operating revenues	\$ 549,193	\$ 583,769	\$ (34,576)	(5.9)
Operating expenses	549,449	582,586	(33,137)	(5.7)
Operating income (loss)	\$ (256)	\$ 1,183	\$ (1,439)	(121.6)
Nonoperating revenues	3,808	7,240	(3,432)	(47.4)
Change in Net Assets	\$ 3,552	\$ 8,423	\$ (4,871)	(57.8)
Net Assets - January 1	43,851	35,428	8,423	23.8
Net Assets - December 31	<u>\$ 47,403</u>	<u>\$ 43,851</u>	<u>\$ 3,552</u>	8.1

ECONOMIC FACTORS

Significant economic factors affecting SEMREX are as follows:

- fluctuations in demand and market price for recycled materials and
- local inflationary, recessionary and employment trends, which can affect business profits and which in turn affect the amount businesses purchase, manufacture, or sell, which helps determine the amount of material sent to recycling markets.

FINANCIAL CONTACT

The individual to be contacted regarding this report is Camy Iverson, Controller of Olmsted County Public Works Department at (507) 328-7007. Specific requests may be submitted to Camy Iverson, Olmsted County - Public Works, 2122 Campus Drive S.E., Rochester, Minnesota 55904-4744.

**NOTES TO THE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2006**

1. Summary of Significant Accounting Policies

The Southeast Minnesota Recyclers' Exchange (SEMREX) financial statements are prepared in accordance with generally accepted accounting principles (GAAP) as of and for the year ended December 31, 2006. The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (statements and interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989, (when applicable) that do not conflict with or contradict GASB pronouncements. Although SEMREX has the option to apply FASB pronouncements issued after that date to its activities, SEMREX has chosen not to do so. The more significant accounting policies established in GAAP and used by SEMREX are discussed below.

A. Financial Reporting Entity

SEMREX is an organization of counties focused on recycling and waste reduction. Informally allied since 1989, SEMREX was restructured in August 1997 as a Joint Powers Board, as provided by Minn. Stat. § 471.59. The Board has a chair and is composed of one representative from each of the nine members. The Board contracted with Olmsted County to act as fiscal agent and provide administrative services.

B. Financial Statement Presentation

SEMREX reports only one fund, which is used to account for all the financial resources of SEMREX. The financial statements include a Statement of Net Assets; a Statement of Revenues, Expenses, and Changes in Net Assets; and a Statement of Cash Flows.

C. Basis of Accounting and Measurement Focus

Basis of accounting refers to the time at which revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. SEMREX's enterprise fund is accounted for using the accrual basis of accounting and the economic resources measurement focus. Sales of materials are recognized when the sale occurs. Materials sold are generated by the cooperative marketing program. The

**SOUTHEAST MINNESOTA RECYCLERS' EXCHANGE
ROCHESTER, MINNESOTA**

1. Summary of Significant Accounting Policies

C. Basis of Accounting and Measurement Focus (Continued)

cooperative marketing program markets recyclable materials for private recyclers and government programs. It was developed to overcome the obstacles facing rural recyclers by providing the increased bargaining power and transportation efficiencies of large volumes, so that greater sales revenues can be obtained. SEMREX is funded by a five to ten percent brokerage fee on each load marketed through the program. Expenses for administration and cooperative marketing are recognized when the liability is incurred.

D. Cash and Cash Equivalents

Cash and cash equivalents are amounts SEMREX has on deposit with Olmsted County.

E. Net Assets

The unrestricted net asset account indicates the portion of net assets available for future period expenses.

F. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Detailed Notes

Deposits and Investments

SEMREX's total cash and investments of \$43,656 are on deposit with Olmsted County and are included in Olmsted County's pooled cash and investments.

**SOUTHEAST MINNESOTA RECYCLERS' EXCHANGE
ROCHESTER, MINNESOTA**

3. Summary of Significant Contingencies and Other Items

Risk Management

SEMREX is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. General liability is covered with a policy from the Minnesota Counties Insurance Trust. This insurance was first purchased in 1998 with no changes since that time. Settled claims have not exceeded this coverage for the past three years.

REPORT ON MINNESOTA LEGAL COMPLIANCE

Board of Commissioners
Southeast Minnesota Recyclers' Exchange
Joint Powers Board

We have audited the financial statements of the Southeast Minnesota Recyclers' Exchange as of and for the year ended December 31, 2006, and have issued our report thereon dated November 26, 2007.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Minnesota Legal Compliance Audit Guide for Local Government*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65. Accordingly, the audit included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The *Minnesota Legal Compliance Audit Guide for Local Government* contains five categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, and claims and disbursements. Our study included all of the listed categories, except we did not test for compliance in cash and investments and claims and disbursements, which are in the custody of another party.

The results of our tests indicate that, for the items tested, the Southeast Minnesota Recyclers' Exchange complied with the material terms and conditions of applicable legal provisions.

This report is intended solely for the information and use of the Board of Commissioners, and management and is not intended to be, and should not be, used by anyone other than those specified parties.
