Training

The next CTAS training sessions will be held as one of the workshops during the Summer Short Courses offered by the Minnesota Association of Townships (M.A.T.) The dates and locations for the training sessions are:

- June 28 – Fergus Falls
  Location: Best Western – Bigwood Event Center
- June 29 – Thief River Falls
  Location: Engelstad Arena
- June 30 – Walker
  Location: Northern Lights Event Center
- July 1 – Carlton
  Location: Black Bear Casino Event Center
- July 12 – St. Cloud
  Location: Holiday Inn
- July 13 – Morton
  Location: Jackpot Junction
- July 14 – Mankato
  Location: Country Inn & Suites
- July 15 – Rochester
  Location: Ramada Inn

The cost for the workshop is $40 with pre-registration. On-site registration is $50. Early registration is recommended. In past years, all CTAS sessions were filled and late registrants did not have an opportunity to participate in the CTAS training.

For more information, contact M.A.T. at (763) 497-2330 or (800) 228-0296 or visit their website at www.mntownships.org and click on Training.

All CTAS users (cities, towns, etc.) may register for the Summer Short Course training.

The workshop consists of two sessions. The morning session is an overview of the CTAS system. During the afternoon session, all interested parties will have an opportunity to ask specific questions regarding CTAS.

CTAS Tips

- Online Training
  On the CTAS page of the OSA website are listed a series of online trainings that cover various CTAS topics. Currently, there are trainings on installing CTAS Version 7 and on using the payroll system. Within the next few weeks, trainings on the Accounting Module, and on Investment and Indebtedness will be added.

  The trainings can be viewed at any time. You will need high-speed internet to view the trainings. If you have additional topics you would like to see covered in future training sessions, please e-mail them to the Helpline.

- CTAS User Manual
  We are continuing to write a new CTAS User Manual. The Receipts, Claims and Disbursement chapters have been written. In addition, a chapter on setting up your CTAS system has been written.

  Our goal in writing this manual is to create a user-friendly manual that will assist all users in the operation of CTAS. Watch for the release of the manual later this year.

Also, these vendors have window envelopes available for the checks printed with the CTAS system.

**E-Update**

If you haven’t signed up, I encourage you to sign up for the Office of the State Auditor’s E-Update. The E-Update gives you weekly updates on issues of interest to local governments.

To sign up go to the Office of the State Auditor’s website (www.auditor.state.mn.us), and click on the Latest News tab. Select the E-Update and click the link to request the E-Update.

**2009 City Financial Reporting**

The instructions for reporting the 2009 financial information have been mailed to all cities.

Cities that are being audited should not submit their information using CTAS. The Office of the State Auditor has an Excel Spreadsheet that cities should use to report their financial information. Also, the audited financial statements and management letter must be submitted electronically using the Adobe Acrobat format (PDF).

For additional information or assistance, please call or e-mail the Helpline or visit the Office of the State Auditor’s website at www.auditor.state.mn.us.

**Remember to Back up Your Data!**

The procedure I recommend is to use a rotation of three backups. The first time you back up use Backup 1. The second time use Backup 2. The third time use Backup 3. Then the fourth time you can use Backup 1 again.

The likely event that all three backups are corrupt is very small. Therefore, the chances of recovering most if not all of the data, if needed, are very good.

In addition, I recommend backing up all of your data once a month. This includes CTAS, word processing documents, and spreadsheets. This can be done onto a CD, flash drive or another external storage device.
