INDEPENDENT AUDITOR'S REPORT ON
MINNESOTA LEGAL COMPLIANCE

Project Board
Ramsey/Washington County
Resource Recovery Project

We have audited, in accordance with auditing standards generally accepted in the United States of America, the accompanying financial statements of the governmental activities and the General Fund of the Ramsey/Washington County Resource Recovery Project as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Project’s basic financial statements and have issued our report thereon dated July 14, 2015.

The Minnesota Legal Compliance Audit Guide for Political Subdivisions, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, contains six categories of compliance to be tested in connection with the audit of the Project’s financial statements: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, and miscellaneous provisions. Our audit considered all of the listed categories, except that we did not test for compliance with the provisions for public indebtedness because the Project has no long-term debt.

In connection with our audit, nothing came to our attention that caused us to believe that the Ramsey/Washington County Resource Recovery Project failed to comply with the provisions of the Minnesota Legal Compliance Audit Guide for Political Subdivisions. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Project’s noncompliance with the above referenced provisions.

This report is intended solely for the information and use of those charged with governance and management of the Ramsey/Washington County Resource Recovery Project and the State Auditor and is not intended to be, and should not be, used by anyone other than those specified parties.
