MANAGEMENT AND COMPLIANCE REPORT

STEARNS COUNTY
ST. CLOUD, MINNESOTA

YEAR ENDED DECEMBER 31, 2018

Description of the Office of the State Auditor

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 100 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice – conducts financial and legal compliance audits of local governments;

Government Information – collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations – provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension – monitors investment, financial, and actuarial reporting for approximately 600 public pension funds; and

Tax Increment Financing – promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditor's Report

Board of County Commissioners
Stearns County
St. Cloud, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Stearns County, Minnesota, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated September 6, 2019. Our report includes a reference to other auditors who audited the financial statements of the Housing and Redevelopment Authority (HRA) of Stearns County, the discretely presented component unit, for the year ended June 30, 2018, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Stearns County's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit the attention of those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Stearns County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

The *Minnesota Legal Compliance Audit Guide for Counties*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, contains seven categories of compliance to be tested in connection with the audit of the County's financial statements: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. Our audit considered all of the listed categories, except that we did not test for compliance with the provisions for tax increment financing because the County administers no tax increment financing districts.

In connection with our audit, nothing came to our attention that caused us to believe that Stearns County failed to comply with the provisions of the *Minnesota Legal Compliance Audit Guide for Counties*, except as described in the Schedule of Findings and Questioned Costs as item 2018-001. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the County's noncompliance with the above referenced provisions.

Other Matters

Also included in the Schedule of Findings and Questioned Costs is an unresolved other matter described as item 2013-001.

Stearns County's Response to Findings

Stearns County's responses to the legal compliance finding and to the other matter identified in our audit are described in the Corrective Action Plan. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting, compliance, and the provisions of the *Minnesota Legal Compliance Audit Guide for Counties* and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditor's Report

Board of County Commissioners
Stearns County
St. Cloud, Minnesota

Report on Compliance for Each Major Federal Program

We have audited Stearns County's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2018. Stearns County's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Stearns County's basic financial statements include the operations of the Housing and Redevelopment Authority (HRA) of Stearns County component unit, which expended \$1,346,051 in federal awards during the year ended June 30, 2018, which are not included in the Schedule of Expenditures of Federal Awards. Our audit, described below, did not include the operations of the HRA of Stearns County because other auditors were engaged to perform a single audit in accordance with the Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Stearns County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in

Government Auditing Standards issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Stearns County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, Stearns County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2018.

Report on Internal Control Over Compliance

Management of Stearns County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention of those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Stearns County, Minnesota, as of and for the year ended December 31, 2018, including the Housing and Redevelopment Authority of Stearns County component unit as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We have issued our report thereon dated September 6, 2019, which contained unmodified opinions on those financial statements. We did not audit the financial statements of the HRA of Stearns County component unit, which was audited by other auditors. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Stearns County's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards (SEFA), as required by the Uniform Guidance, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The SEFA is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the SEFA is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARD PROGRAMS

None.

IV. OTHER FINDINGS AND RECOMMENDATIONS

A. MINNESOTA LEGAL COMPLIANCE

ITEM ARISING THIS YEAR

Finding Number 2018-001

Contract Compliance

Criteria: Minnesota Statute § 471.425, subd. 4a, requires that each contract of a municipality must require the prime contractor to pay any subcontractor within ten days of the prime contractor's receipt of payment from the municipality for undisputed services provided by the subcontractor. The contract must require the prime contractor to pay interest of one and one-half percent per month, or any part of a month, to the subcontractor on any undisputed amount not paid on time to the subcontractor.

Minnesota Statute § 16C.285 states that for each construction contract in excess of \$50,000, awarded pursuant to a lowest responsible bidder or best value process, the successful contractor must submit verification of compliance signed under oath by an owner or officer verifying compliance with the minimum criteria set forth in Minn. Stat. § 16C.285, subd. 3.

**STEARNS COUNTY
ST. CLOUD, MINNESOTA**

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2018

Condition: During 2018, the County entered into numerous contracts for the Service Center expansion project. None of the project specifications or contracts included the prompt pay notice to bidder language requiring prime contractors to pay subcontractors within ten days. In addition, the signed responsible bidder verifications were not obtained from the contractors at the time of the solicitation as required by statute.

Context: The Building Facilities Department is currently overseeing the Service Center expansion project. The County obtained the responsible bidder verification forms from the contractors in July 2019, after requested for the audit.

Effect: Noncompliance with Minn. Stat. §§ 471.425 and 16C.285.

Cause: Due to changes in personnel, the requirements were overlooked at the time of bidding out the Service Center expansion project contracts.

Recommendation: We recommend the County review the statutory requirements to ensure compliance with the applicable contracting and bidding statutes for all future contracts. Adequate documentation of compliance should be maintained on file.

B. OTHER MATTER

PREVIOUSLY REPORTED ITEM NOT RESOLVED

Finding Number 2013-001

Eligibility

Program: U.S. Department of Health and Human Services' Medical Assistance Program (CFDA No. 93.778), 1805MN5ADM and 1905MN5ADM, 2018

Pass-Through Agency: Minnesota Department of Human Services

**STEARNS COUNTY
ST. CLOUD, MINNESOTA**

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2018

Criteria: Title 2 U.S. *Code of Federal Regulations* § 200.303 states that the auditee must establish and maintain effective internal control over the federal award that provides reasonable assurance that the auditee is managing the federal award in compliance with federal statutes, regulations, and the terms and conditions of the federal award.

Condition: The Minnesota Department of Human Services (DHS) maintains the computer system, MAXIS, which is used by the County to support the eligibility determination process. In the case files tested for compliance with eligibility requirements, not all documentation was available, updated, or input correctly to support participant eligibility. The following exceptions were noted in the sample of 15 cases tested:

- Two case files had health insurance information in MAXIS that did not match what was in the case file.
- Two case files had asset information noted in MAXIS that were not supported.

Questioned Costs: Not applicable. The County administers the program, but benefits to participants in this program are paid by the State of Minnesota.

Context: The sample size was based on guidance from chapter 11 of the AICPA Audit Guide, *Government Auditing Standards and Single Audits*.

The State of Minnesota contracts with the County's Human Services Department to perform the "intake function" (meeting with the social services client to determine income and categorical eligibility), while the Minnesota DHS maintains MAXIS, which supports the eligibility determination process and actually pays the benefits to the participants.

Effect: Inadequate documentation and the improper input of information into MAXIS increases the risk that participants will receive benefits when they are not eligible.

Cause: County program personnel gathering and entering case information into MAXIS did not ensure all required information was input correctly.

**STEARNS COUNTY
ST. CLOUD, MINNESOTA**

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2018**

Recommendation: We recommend the County implement additional procedures to provide reasonable assurance that all necessary documentation to support eligibility determinations is properly input into MAXIS and maintained in the case files. Consideration should be given to providing additional training to County program personnel.

**SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED DECEMBER 31, 2018**

Finding Number: 2013-001

Finding Title: Eligibility

Program: Medical Assistance Program (CFDA No. 93.778)

Summary of Condition: A sample of 40 Medical Assistance Program case files was tested for controls over, and compliance with, the eligibility requirements of the program. Of the case files selected, two instances were noted where asset or income documentation did not adequately support all participant eligibility requirements and/or match the information in MAXIS and one case file had the incorrect health insurance information in MAXIS.

Summary of Corrective Action Previously Reported: Healthcare (MA) Supervisors will perform 10 random quality assurance (QA) checks for compliance in the areas of note: income matches, asset verifications, and application completion until 95 percent accuracy is achieved. This will begin immediately with daily, weekly, and then monthly QA's. Ten random QA's will continue monthly once 95 percent accuracy is achieved for at least 4 weeks. Data will be tracked, measured, corrected, and used to train staff on policy issues. Review form and tracking spreadsheet created. A .5 FTE position will be added to QA to conduct reviews and provide identified training for staff on an ongoing basis. In April 2017, the Human Services' Gateway Services Division created an additional healthcare programs unit to specifically separate METS and MAXIS healthcare programs. METS healthcare workers are assigned specifically METS and MAXIS healthcare workers for non-MAGI work specifically within MAXIS. This separation allows eligibility specialization and training to occur within the two different (MAGI and non-MAGI) programs.

Status: Not Corrected.

Along with the previously reported corrective action plan of adding a 0.5 FTE position to QA effective September 2018, the department added an additional 1 FTE to specifically focus on MA review of case documentation, accuracy, timeliness and completeness.

As is indicated in the 2017 Corrective Action Plan, random regular case actions continue to be conducted on a daily basis.

Was corrective action taken significantly different than the action previously reported?

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2018**

1. Reporting Entity

The Schedule of Expenditures of Federal Awards presents the activities of federal award programs expended by Stearns County. The County's reporting entity is defined in Note 1 to the financial statements. Stearns County's financial statements include the operations of the Housing and Redevelopment Authority (HRA) of Stearns County component unit, which expended \$1,346,051 in federal awards during the year ended June 30, 2018. Those expenditures are not included in the County's Schedule of Expenditures of Federal Awards because the HRA of Stearns County had a separate single audit.

2. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Stearns County under programs of the federal government for the year ended December 31, 2018. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Stearns County, it is not intended to and does not present the financial position, changes in net position, or cash flows of Stearns County.

3. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Stearns County has elected to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.
