

**Resolution 2026-029
Accepting St. Joseph's
Performance Measures Survey Results**

Whereas, pursuant to Minnesota Statute 6.91 the St. Joseph City Council has adopted performance and output measures recommended by the State of Minnesota's Council on Local Results and Innovation and desires to continue with recommended performance measure guidelines and practices.

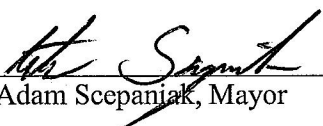

Now therefore be it resolved, the St. Joseph City Council adopted the following performance measures initiatives:

1. That the City has adopted and implemented the minimum 10 performance measures developed by the Council on Local Results and Innovation.
2. That the City has implemented a local performance measurement system as developed by the Council on Local Results and Innovation.
3. That the City will report the results of the 10 adopted measures to its residents before July 2026 on the City's Website.
4. That the City has surveyed its residents on the services included in the performance benchmarks and intends to periodically (at least biennially) repeat the survey of its residents to gauge changes in the performance benchmarks.
5. That the City accepting the results of the performance measures survey conducted in May 2026.

Adopted this 1st day of June 2026.

1	Would like to make sure the new public safety building is built large enough that we dont have to spend money on city buildings for the next 25-50 years	5/27/2026 9:04 AM
2	Add the missing sidewalks-identified back in 2016.. review the comprehensive plan and follow thru	5/27/2026 4:48 AM
3	Stop investing in revitalizing and invest in your community. Add more parks (an assortment) and more family friendly options. The city water is brown & smells like fart. And please stop increasing taxes! You're literally pushing our elderly from their homes! Please add a 4 way stopsign by the Catholic School entrance, reduce speed in downtown to 20, and get cameras at kleinfelter park and on the wabagon.	5/26/2026 3:35 PM
4	Sad to see money being spent on another net police station. And curbs getting ripped out that are perfectly fine at the corners. Just to replace on the corners the same all over again.	5/26/2026 1:56 PM
5	I would like to see a yard waste pickup offered or something that can help those that don't have the capability of utilizing the compost site, because of the lack of transporting leaves, branches, grass clippings, etc. Is there something that can be offered by the city for at least leaf removal? This is one of our struggles as we don't have a vehicle to haul yard waste. I would also like to see a shelter built at the dog park for those that use it that would be a great asset. I personally don't have dogs, but my neighbor does and uses the park regularly.	5/26/2026 12:49 PM
6	-Snow plowing city streets is inconsistent. Sometimes its the day of , and sometimes it's a day or two after it snows that the streets finally get plowed. -Stop allowing apartment buildings to be built in residential neighborhoods. WHAT A EYESORE! (College ave/ Hill street) Why not put in a dog park or a basketball court. Nope the city wants more tax revenue, instead of taking care of it's residents. -Why is the city residents forced to participate in the recycling program? I barely fill the container on a monthly basis. Why residents doing the work and sorting the recycling products for the garbage company? Residents just be able to opt out and not be forced to recycle if they chose not to. -Why are property taxes keep going up, when inflation is so high yet? SJPD got a 3% raise, I didn;t. New squads? Rumor of taking over the old Casey gas station for Police department. More costs, never enough or satisfied.	5/26/2026 4:25 AM
7	Still sending out newsletters printed single sided thereby using twice the amount of paper. I am disappointed in the disregard for conserving paper usage. I want to express my gratitude that the YMCA did not go through. Please do not allow a data center in or near St. Joe	5/21/2026 12:16 PM
8	We are proud of our city and proud of its leaders.	5/20/2026 3:39 PM
9	Taxes are high.but there high everywhere	5/19/2026 3:27 PM
10	I think our city water needs help, it has a nasty chlorine smell. The plowing has been terrible the past 3 years as well especially if you're on a quiet street or dead end.	5/18/2026 10:21 AM
11	The city plow drivers need to figure out where the edge of the roads are. Every year they tear up approx 4-5 of my lawn because they run the plow over	5/15/2026 6:34 AM
12	Many homeowners in the city don't follow codes and regulations. The yards have vehicles parked on the lawns, the grass isn't cut and debris spread across yards. When will the city start enforcing our codes and standards?	5/14/2026 7:11 PM
13	Having marijuana easily available in our city limits is detrimental to healthy living, (though helpful for medical purposes).	5/14/2026 4:29 PM
