---

The Annual Reporting Form is required for each TIF district that must report in 2023 for the reporting year 2022 and is due by August 1, 2023.

Sections of this Annual Reporting Form may be pre-populated with previously reported information. This Annual Reporting Form is interactive, a line on one worksheet may carry over to another sheet. These cells are shaded yellow. Some columns automatically calculate a total. These cells are shaded blue. The information in the shaded cells cannot be changed directly but the information can be changed on the original worksheet.

Please become familiar with the forms and review each line for accuracy.

#### Important Information for Completing SAFES Forms

---

The OSA has become aware of an issue affecting some reporting forms that are downloaded from the State Auditor's Form Entry System (SAFES), which could include this form.

Please press the **Ctrl, Alt, and F9** keys at the same time to ensure that all calculations on your form are correct. Pressing these keys at the same time forces the form to recalculate and will resolve the issue. Please do this when you first open the form and again just before submitting the form, at a minimum.

Please feel free to contact us at [TIF@osa.state.mn.us](mailto:TIF@osa.state.mn.us) with any questions.

#### What do the red messages in the form indicate?

---

The red messages in the right margin indicate that data must be entered or corrected before the reporting form can be submitted. Once the data has been entered or corrected, the red message will no longer be displayed.

**Do you need additional forms?**

A TIF District Annual Reporting Form is required to be submitted for a TIF district beginning with the year the district is certified. If you have a new TIF district that needs to be reported for 2022, please email the OSA as soon as possible. For new TIF districts, you must complete a TIF Plan Collection Form through SAFES (State Auditor's Form Entry System) before a 2022 District Annual Form can be generated. If you have a new pooled debt issue to be reported for 2022, please email the OSA.

---

**Was this TIF District recently decertified?**

If a district has recently been decertified, please print and complete a Confirmation of Decertification Form from our website. Complete and sign Part A, and send the form to your County Auditor. He or she will verify the information and sign Part B. It is the authority's responsibility to make sure the OSA receives a fully completed decertification form.

[Confirmation of Decertification Form](#)

If the district is decertified before the maximum duration limit identified in the TIF Act is reached, please submit a copy of the city council's resolution to decertify the district in addition to the Confirmation of Decertification.

**Do you have additional information to share with our office?**

A comment box is available at the end of the reporting form. Please use the comment box as needed to share information that may be pertinent to the reporting form. If your comment exceeds the space available on the reporting form, you may email the OSA to share the information.

12	The total increased property taxes to be paid from outside the district if fiscal disparities Option A applies*	\$ 0

\* The fiscal disparities property tax law provides that the growth in commercial-industrial property tax values is shared throughout the area. In a tax increment financing district, this value sharing can either result in a decrease in tax increment financing district revenue or a tax increase for other properties in the municipality depending on whether the tax increment financing district contributes its share of the growth. Amounts displayed here indicate that the district did not contribute its growth in commercial-industrial property tax values and represent the resulting increase in taxes on other properties in the City for taxes payable in 2022.

Note: Lines 4-11 must be published even if the amounts are zero. Line 12 and the corresponding notation paragraph are only necessary if the municipality is located in the fiscal disparities area and the municipality chose Option A under Minn. Stat. § 469.177, subd. 3(a), for the district.
