OLMSTED COUNTY, MINNESOTA

Request For County Board Action

AGENDA DATE: June 18, 2019

REQUEST BY: Lisa Morris-Helmstetler, Administration
Debra Ehret-Miller, Administration

STATE ITEM OF BUSINESS: Approve Participation in Standard Performance Measures Program

BACKGROUND:
Performance Measurement and Reporting are at the core of a well-functioning entity. Through the County Board resolution process, the County has an opportunity to continue its voluntary participation in the Minnesota Council on Local Results and Innovation (Council) Standard Performance Measures Program as outlined in Minn. Stat. 6.91.

Benefits to program participation include the provision that any county or city that elects to participate in the standard measures / performance measurement program is eligible for a reimbursement of 0.14 per capita, not to exceed $25,000, and is also exempt from levy limits under sections 275.70 to 275.74 for taxes payable in the following calendar year, if levy limits are in effect.

The Council on Local Results and Innovation (Council) was created by the Minnesota Legislature in 2010. In early 2011, the Council released a standard set of at least ten performance measures for cities and counties that aid residents, taxpayers, and state and local elected officials in determining the efficacy of cities and counties providing services.

We believe there continues to be value in participating in the program and sharing results with our residents, and respectfully request that the Olmsted County Board approve participation in the Council’s Standard State Performance Measures Program and the attached Resolution.

Resolve that Olmsted County will adopt and implement a minimum of ten performance measures developed by the Council on Local Results and Innovation, and integrate these measures into its Managing for Results (M4R) Strategic Management System:

Performance Category Performance Measure: N = 11

Public Safety
- Recidivism is reduced after supervision
- Probationers and Supervised Releasees

Public Works
- Hours to Plow System During a Snow Event
- Average County Pavement Condition Index (PCI) Rating
  - Target Score is an Average of 72

In addition, the County Board is requested to approve the sharing of the performance results report with Olmsted County residents by the end of the year, and the submission of the report and this year’s Resolution to the Office of the State Auditor by July 1, 2019.

Completion of the State Performance Measures Program Results Report is in progress and will be provided at a later date.

COUNTY BOARD ACTION REQUESTED:
Approved the County's participation in the Council's Standard State Performance Measures Program and supporting resolution as follows.

Reviewed with additional material provided: ✓ Approved
County Administrator
WHEREAS, Olmsted County declares its intention to continue its voluntary participation in the Minnesota Council on Local Results and Innovation (hereinafter referred to as the "Council") Standard Performance Measures Program, as it has through past Resolutions No. 2011-038, 2012-038, 2013-049, 2014-046, 2015-51, 2016-49, 2017-41, and 2018-126; and

WHEREAS, benefits to Olmsted County for participation in the Council's comprehensive performance measurement program are outlined in Minn. Stat. 6.91 and include eligibility for a reimbursement as set by State statute ($0.14 per capita in local government aid, not to exceed $25,000); and

WHEREAS, any jurisdiction participating in the comprehensive performance measurement program is also exempt from levy limits for taxes, if levy limits are in effect; and

WHEREAS, Olmsted County has adopted and implemented at least 10 of the performance measures, as developed by the Council, and integrated these measures into its Managing for Results (M4R) Strategic Management System to use this information to help plan, budget, manage and evaluate programs and processes for optimal future outcomes.

NOW, THEREFORE, BE IT RESOLVED, that the Olmsted County Board of Commissioners hereby approves the County's continued participation in the Standard Performance Measures Program; and

BE IT FURTHER RESOLVED, that results of the performance measures shall be reported to residents by the end of the year through publication, direct mailing, posting on the County's website, or through a public hearing at which the budget and levy will be discussed and public input allowed; and

BE IT FURTHER RESOLVED, that the results of the performance measures adopted by the County shall be submitted to the Office of the State Auditor, along with this Resolution, by July 1, 2019.

Dated at Rochester, Minnesota this 18th day of June, 2019.

Background

Olmsted County has been a voluntary participant in the Minnesota Council on Local Results and Innovation’s (Council’s) Standard Performance Measure Program since 2011.

Per the Council’s reporting requirements, a copy of the resolution approved by the Olmsted County Board to participate in this program will be submitted electronically to the Minnesota Office of the State Auditor, along with this report.

The strategy map on page three of this report shows our current goals and long-range priorities as well as key initiatives for 2019. We are in the process of developing a new framework for strategy that maintains a balanced scorecard framework and includes measures as well. Future strategy maps will be completed at the countywide level and department level. Department level maps will include the details on outputs and outcomes related to the state performance measures.

The tables on pages four-five shows results from each of the measures in the past year and is also organized to show our community goal related to each measure.
