Description of the Office of the State Auditor

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 160 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for approximately 730 public pension funds; and

Tax Increment Financing - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL DATA SCHEDULE

Metropolitan Council of the Twin Cities Area
Saint Paul, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Metropolitan Council of the Twin Cities Area, a component unit of the State of Minnesota, as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Metropolitan Council's basic financial statements. We have issued our report thereon dated June 26, 2014, which contained unmodified opinions on those financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Metropolitan Council's basic financial statements. The accompanying Financial Data Schedule is presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development (HUD) and is not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedule is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

This report is intended solely for the information and use of management and members of the Metropolitan Council and HUD and is not intended to be, and should not be, used by anyone other than those specified parties.
