1. Released: Special Districts Finance Report

State Auditor Rebecca Otto has released the Special Districts Finance Report, a comprehensive report on Minnesota special districts’ revenues, expenditures and debt for the 2014 fiscal year. Special districts are local government units created or authorized by state law to perform specific duties or to provide specific services in a limited scope.

3. Avoiding Pitfalls: Monitoring Relief Association Investment Performance
Relief association trustees are not relieved of their fiduciary duties by hiring professional consultants or investment advisors. Trustees should understand their fund managers’ investment strategies and hold investment advisors accountable for the performance of the assets being managed.

All trustees, including municipal trustees who serve on a relief association’s board, should regularly compare the investment performance of their advisors with the performance of passively-managed index funds and other benchmarks.
